🎀 Welcome, Michaela! 🎀

Welcome to Michaela MacKenzie, our newest library assistant. Michaela will be a junior at Souhegan High School in the fall. Michaela, her two older sisters and parents have lived in Mont Vernon about 7 years. They have two dogs - a Great Dane named Zeus and a German short-haired pointer name Josey. Her favorite subjects in school are English and science. What's she reading now? "Matched" - one of the books on the SHS summer reading list. Among Michaela's many interests is ski racing.
Welcome to the library Michaela!

MORE FUN FACTS:

In 1905, an 11-year-old boy named Frank Epperson invented the first Popsicle. He created it completely by accident. Frank accidentally left a mixture of powdered soda and water, with a stirring stick, on his porch. He awoke the next morning and found a frozen pop! He first named his frozen pop an "Epsicle", but when he got older his kids asked for "Pop's" sicle and the new name was born. Popsicles are more popular than ever today, with Cherry being the number one favorite flavor.

The average American eats around 5 1/2 gallons of ice cream a year, more than any other nationality. The late President Reagan declared July National Ice Cream month. It is also the month the most ice cream is sold.

The first "bathing suits" for women were introduced in the early 1800's. At that time it was still considered improper for skin to be any color but creamy white. The first "suits" were composed of long sleeved bathing dresses with woolen bloomers underneath to weight the dress down. The only "swimming" a woman did at that time was to jump waves at the edge of the water and dip her feet, and occasionally legs, into the water.

The Frisbee was originally designed as a tin pie plate in the 1870's. It was a marketing scheme to encourage homemakers to see the name "Frisbee" on the pie tin and think how much easier it would be to buy a pie instead of making one. Eventually, Mr. Frisbee's pies were sold all over Connecticut. In the 1940's, Yale students began tossing the pie tins to one another in a game of catch. The game caught on throughout the campus. About 10 years later, the president of Wham-O saw the pie-tin tossing fun at Yale. He saw this as a toy he could easily market. There were issues with the tin, so the plastic disc was born. Because of the craze of UFOs during this time, the plastic disc quickly became known as a "flying saucer".

Yankee Crime! Tri-Town Book Group

Tuesday, July 26, 7 p.m. @ the Wilton & Gregg Free Library

7 Forest Road, Wilton, NH

Primary Storm by Brendan DuBois is the 2nd novel in the Yankee Crime series hosted by the Tri-Town Book Group.

Summary: In fictional but familiar Tyler Beach, NH, magazine writer Lewis Cole is charged with attempted assassination of a presidential candidate during our first-in-the-nation primary. As he tries to clear his name, he uncovers a dark web of conspiracy and takes us, as readers, into the frightening world of the "reluctant, civilian righter-of-wrongs."

Facilitator Maren Tirabassi is a liturgical writer and poet, with 13 books to her credit. She holds Master's degrees from Harvard and Union Theological Seminary. A fan and amateur sci-fi and fantasy writer, she serves on the Humanities Council's speakers' bureau offering several programs including Faith and Fantastical Fiction.

Special Guest, author Brendan DuBois, will be in attendance to answer your questions about the book.

Stop by the library to pick up a copy of the book.

Last in the series, will be a discussion of Archer Mayor's "Bellow Falls" on Tuesday, August 23, at 7 p.m., at the Daland Memorial Library. The facilitator will be William Doveski. Copies of this book will be available on July 27th at the library.

New checkout policy for book groups

All books used by book groups will now be checked out through the library circulation system. We will advance the date so that your copy is due on the date that your book group meets. Please be prompt in returning books that you have borrowed.

If you know you cannot make the meeting, please drop the book off before the due date or within a day. If your group date is changed, we will make the necessary

adjustments. We’re changing our policy in order to have better knowledge of exactly who has our borrowed copies and to make sure that we get these copies back on time to the loaning libraries. Interlibrary loan is made possible through the generosity of other libraries and a great statewide delivery system. Interlibrary loan books will now be subject to fines. As always, you have a day of grace when returning items.
