Morning Book Discussion Program

The Daland Memorial Library’s next Morning Book Discussion Program is scheduled for Monday, September 11, at 10 a.m. The selection will be *Infidel* by Ayaan Hirsi Ali. The memoir follows the life of the author born to a Muslim family in Somalia. As she moves on to Saudi Arabia, Kenya, and the Netherlands, she questions her faith and her role as a woman. She becomes a member of Parliament in the Netherlands, before moving on to the United States where she now resides. An amazing story of an articulate and passionate activist. The discussion will be held at the library.

The group usually meets the first Monday each month. The meetings last an hour and a half to two hours. Participants take turns bringing a light refreshment and may also volunteer to lead a discussion. No attendance requirement – attend discussions that are of interest. The library purchases a copy of each selection that may be checked out by library patrons when the book is not reserved for the discussion. Copies of the books are made possible through inter-library loan and are available at the library.

The Mont Vernon Historical Society Museum will be open Saturday, September 9, from 1-4 p.m. The museum is located on the second floor of the Town Hall. DOC ADAMS INVITATIONAL - Saturday, September 23

Vintage Rules Baseball Games - Lamson Farm in Mont Vernon

Beginning at 10 a.m. on Saturday, September 23 (rain date September 24), four teams from New England will gather at Lamson Farm in Mont Vernon to play vintage rules baseball in a round robin format. The teams playing are the NH Granite team playing as the Mont Vernon Docs, teams from Boston and Essex, MA, and the Dirigo Vintage Baseball Club from ME. There will be a championship match at the end of the day. In honor of “Doc” Adams the teams will play by the rules and customs of 1864. “Doc” is recognized as the author of an authenticated set of documents, “Laws of Base Ball”, sold at auction in April 2016 for $3.26 million - the highest ever paid for baseball documents. He’s credited with determining the distance of 90 feet between bases, each game having nine innings, the number of players on the team to be nine, and no wagering by anyone involved in the match.

Of local interest, “Doc” was born in Mont Vernon, or Mount Vernon as it was known at the time, in 1819. His family lived in a house on the property where there are now condominiums at the north end of Main Street. After going to Amherst College and Yale University, he followed in his father’s footsteps and went on to Harvard Medical School. He then practiced with his father in Mont Vernon before moving to New York. While there he played baseball for the New York Knickerbockers and practiced medicine at the same time. He died in New Haven, Connecticut in 1899.

“Doc’s” great-granddaughter, Marjorie Adams will be at Lamson Farm for the games. She will have memorabilia on display and share remembrances of her great-grandfather.

There will be no charge. Vendors will sell food and drinks. Picnics are welcome. A few benches will be available for seating though blankets and chairs are encouraged.

The event sponsors are the Lamson Farm Commission, Mont Vernon Historical Society, Milford Rotary, and the family of “Doc” Adams.

Questions contact, Event Coordinator, Zoe Fimbel at Moxiesix@aol.com; phone 673-0733.

**Treasurer’s Report**

Jessica reviewed the treasurer’s report prepared by Larry Yetter in his absence. The following was reported:

1. $1,455.00 collected from Membership, YTD.  
2. $1350.85 collected from donations/matching corporate gifts, YTD.  
3. $500.00 grant received from Shell Oil Foundation as a result of volunteer hours of retired Shell employee.  
4. August 24, 2017 report:  
   a. Citizens Checking Account $6,956.57 Aug 24, 2017  
   b. Capital One Account $8,305.44 Aug 24, 2017  
   c. Fidelity Account $28,465.13 Aug 24, 2017  
   d. Total $43,727.14

Bonnie noted the impressive matching corporate gifts that the Friends have received. She also noted the benefits of discussing matching corporate gifts closer to the end of the year.

**Membership**

Bonnie discussed membership. She talked about how Mary Katherine set FOTL membership sign up a table and the Summer Reading Program sign ups. This was a successful way to reach potential members, bringing in 10 new memberships and 2 renewals. It’s something we should consider doing again next year. Thank you Mary Katherine and welcome new members!!

Current membership numbers:  
60 new members  
28 lifetime members  
88 total members

The Friends discussed other ways to increase membership. This discussion included sign up incentives, opportunities to reach new members at events, and welcome baskets for new townspeople. We agreed it would be best to discuss this as new business at a later meeting.

As a reminder, all FOTL memberships initiated September through the end of the year will cover membership for the remainder of 2017 as well as all of 2018.

**Librarian’s Report**

Bonnie welcomed the Library’s new staff, Natasha Zottcovage and Karen Rose. They are a wonderful addition to our library family! Library staffer Bryan Rose has left his position as he is heading off to college. She suggests the FOTL send Bryan a gift card to thank him for is work at the library and to wish him well in his new endeavor, as this has been done in the past for teen staffers heading off to college. Kristen Rodriguez made a motion to purchase a $50 Visa gift card to be sent in a care package to Bryan. Arthur second, all in favor. Jessica offered to purchase the gift card and drop it off at the library by the end of the week so Bonnie can send it to Bryan along with his final check. Thank you, Bryan for all of your hard work! Best wishes for your first year at college!

Bonnie went on to discuss the Adult Summer Reading Program (SRP). As of Monday, August 28th, total of 365 books have been read by 67 adult SRP participants. Amy Wyman is leading the adult readers with 25 books logged. Well done, Amy!

A total of 15 photos have been submitted to the Instagram Photo Contest in the hopes of winning the Polaroid camera. One lucky winner will be chosen on Tuesday, August 29th.

Bonnie also discussed the Library Survey, which is now live on Survey Monkey. The survey consists of 15 questions regarding current library satisfaction and future library needs. The survey will be launched on September 1st via social media, the library website, email, the Amherst Citizen, and the Mont Vernon Flyer. The surveyors are most interested in receiving your comments, so please take a moment to fill in the comment section at the end of the survey. Also, be sure to leave you email address at the end of the survey to be entered in for a chance to win a $25 gift card to the general store. Winner will be selected at random and all surveys will remain anonymous. Please log on to www.surveymonkey/r/dalandml to take the survey!

**Children’s Librarian Report**

JoAnn Kitchel discussed the upcoming book
clubs. Last year’s book clubs were extremely successful and well-attended thanks is no small part to the increased financial support provided by the FOTL. This year’s sign up sheets are almost full, so JoAnn is looking forward to another great year. JoAnn request the Friends keep the book club budget at the same amount as it was last year. Jessica Hinckley made a motion to match last year’s book club allocation, Kristen Rodríguez second, all in favor. Thank you to the Friends for continuing to support such a wonderful program!

Trustees Report

Jane King provided the trustees’ report. September 20th is tentatively scheduled as the meeting date with the Daland Trustees, which will include the annual report. She also noted that the trustees have discussed preparing an RFP.

Newsletter

Information is due to Stephanie Lindsey by Friday, September 1st.

Old Business

SRP Wrap Up

JoAnn described another successful SRP at our library. With mostly decent weather, attendance remained steady through the program – although 3 crafts did need to be brought inside due to weather. The performance of Beauty and the Beast was also moved indoors to the Mont Vernon Congressional Church due to weather. Although the tents, which were purchased by the FOTL, continue to be a valuable resource for the SRP, weather continues to be an issue as thunderstorms and high winds continue to drive the SRP indoors. With the high number of SRP participants, this is especially challenging in the beautiful but tight quarters of the Daland building. With the high prep time and the physical exertion which go into setting up and breaking down the tents each week, the long term regular use of tents is both unideal and potentially unmanageable depending on the availability of young and strong volunteers. JoAnn noted that should the library continue to be housed at the Daland building, a more long-term solution, such as a pavilion with a hardscape, might be needed.

JoAnn discussed the SRP gardens. They are doing wonderfully and the children have really enjoyed both caring for the gardens and enjoying the fruits, or in this case vegetables, of their labor!

JoAnn thanked the Friends for allocating funds for the purchase of the raffle LEGO sets. At buy 3 get one free, JoAnn was able to offer 4 LEGO sets as raffle prizes. The children really enjoyed coming in each week and admiring the prizes! Raffle winners were Brie Roy, Daniel O’Sullivan, Henry Goll, and Mirrim Hagge. 195 children read a total of 1753 books over the 8-week SRP. The top SRP readers in each age level are as follows:

**Teens**
- Emma Schmidt – 23 books
- Charlotte Wyman – 22 books
- Tallush Anderson – 21 books

**4th – 6th graders**
- Kira Wilson – 104 books
- Bracely Wilson – 97 books
- William Hopper – 33 books

**1st – 3rd graders**
- Isaac Jones – 141 books
- Alia Garnham – 124 books
- Daniel O’Sullivan – 76 books

**Beginners**
- Judah Chavez – 148 books
- Tara Jones – 71 books
- Ben Pozin – 17 books

The top readers in each age level received a $25 gift card to Toadstool Bookshops, for a total of 4 gift cards provided by the FOTL. Congratulations to all and thank you, Friends, for continuing to support this well attended program!

Also, a BIG thanks to Sue Higgins from the Victorian Village Bakery for baking cookies every week and donating them to the SRP. Sue also made 200 ice cream sandwiches for the SRP finale. Thank you, Sue, for your kindness and generosity!

New Business

JoAnn discussed an event that she attended called Wizarding Day at the Boston Children’s Museum. This event has inspired her to host a Wizarding Week at the library over the February break. She will put together a plan for the week and get back to the Friends about making final arrangements.

Lamson Farm Day

Bonnie confirmed September 30th as the date for Lamson Farm Day. JoAnn discussed the craft the library will be offering which is mini scarecrows. JoAnn also suggested a scarecrow raffle. Bonnie made a motion for $200 to cover the items for the Lamson Farm Day tent, Jane King second, all in favor.

Halloween

Halloween will take place on Tuesday, October 31st. Bonnie discussed the small toys that are traditionally purchased by the FOTL to be handed out during trick-or-treating. She will review what we have stored from previous years to determine this year’s items for purchase.

The Library will be collecting candy from October 1st through the 28th, so please plan on stopping in and dropping off a bag.

Bonnie noted that last year some teens volunteered to dress up and hand toys out to trick-or-treaters at the library. This worked out great and the Friends agreed that it would be a great volunteer opportunity for our teens this year.

Fall Garden Cleanup

Vanessa Chavez discussed the fall garden cleanup and proposed a date of Friday October 6th from 10:30am to noon with a rain date of Friday October 13th from 10:30am to noon. A sign up sheet will be placed in the library in mid September. Please come if you are able. It would be best to bring a pair of gardening gloves and basic gardening tools such as rakes, shovels, and a wheelbarrow. Please direct questions to Vanessa at vachavez3@gmail.com.

Book Clubs

Discussed previously.

New Hampshire Humanities Program Grant

Bonnie applied for and was awarded a NH Humanities Program grant. As such, Margo Burns will be offering an hour long presentation about the Salem Witch Trials titled The Capital Crime of Witchcraft: What the Primary Sources Tell Us. The presentation will be offer at the library on October 25th at 7pm. Please note it on your calendar and plan to attend this well-timed event!

The next meeting of the FOTL will be Tuesday September 26th, 2017. Looking forward to seeing you there!

Respectfully submitted,
Vanessa Chavez
